

# AI for Policymakers

## SKILLS GAINED

- Predictive Analytics for Policy Decision Making
- AI-Based Stakeholder Engagement Strategies
- Data-Driven Policy Design and Implementation
- AI Risk Management and Security
- Ethical & Transparent Policy Frameworks

## HANDS-ON PRACTICE

- TensorFlow
- SHAP (SHapley Additive exPlanations)
- Amazon S3
- AWS SageMaker

## WHO SHOULD ENROLL

- Public Administrators
- Business Analysts
- Government Officials & Policy Makers
- Industry Professionals
- Students & New Graduates

## ABOUT FOR POLICYMAKERS

Empower Governance with AI-Driven Policy and Decision Making

- **Policy Innovation:** Learn how AI transforms policy design, implementation, and governance strategies
- **Comprehensive Modules:** Covers AI ethics, risk management, and data-driven policy frameworks
- **Practical Impact:** Address real challenges like cross-sector collaboration and outcome-driven policies
- **Regulatory Navigation:** Understand legal, ethical, and compliance standards for AI in policymaking

## OVERVIEW

- **Demand for AI-Certified Policy Leaders:** Governments and organizations seek certified professionals who can balance innovation with ethical, data-driven decision making.
- **Mitigating AI Risks in Governance:** Misuse of AI in policymaking can compromise societal trust and regulatory compliance. This certification helps professionals avoid such risks.
- **Designing AI Strategies for Effective Policy:** Certified professionals contribute to crafting AI-enabled policies that drive measurable impact while ensuring fairness and accountability.
- **Gaining Career Advantage:** As AI adoption in governance and public policy accelerates, this certification gives professionals a distinct advantage in advancing their leadership roles.

## AT A GLANCE

**Included:** Course + Official exam + Digital badge

**Duration:** Weekdays, on-site totaling 16 hours  
OR Weekends, Bootcamp totaling 10 hours

**Delivery:** Hybrid delivery with trainers (virtual AND in-person) to support practice and completion.

**Exam Format:** 50 questions, 70% passing, 90 minutes, online  
All participants receive an official printed certificate
